PRIVACY POLICY

By selecting this checkbox and submitting this Agreement, the Client, whether acting directly or through its duly authorized representative, expressly acknowledges and agrees that such action shall constitute a valid, enforceable, and legally binding signature. This electronic acceptance shall have the same legal effect as a handwritten signature, in accordance with the applicable laws and regulations of the United Arab Emirates (UAE), including those governing electronic transactions and electronic signatures.

The Client acknowledges and agrees that acceptance of the terms and conditions of this Agreement through electronic means, including but not limited to online acceptance, digital signature, electronic confirmation, or any other electronic authentication method approved by the Company, shall constitute valid execution of this Agreement.

For the purposes of this Agreement, the Client shall be deemed to have validly accepted and agreed to be bound by this Agreement upon confirming acceptance of the onboarding and introduction process, together with the related terms and conditions, through the Company's electronic onboarding system. Each Party agrees that electronically stored records of this Agreement shall be admissible as evidence and shall be deemed valid and enforceable to the fullest extent permitted by applicable law.

PRIVACY POLICY

1. Introduction

Neex Securities LLC (the “Company”) is committed to protecting the privacy and confidentiality of client information and maintaining high standards of data security. This Privacy Policy explains how the Company collects, uses, processes, and protects personal data when clients access the Company’s website or use its services. The Company processes personal data in accordance with applicable laws and regulations, including Federal Decree-Law No. 45 of 2021 on the Protection of Personal Data.

2. Personal Data Collected

The Company may collect and process personal data including, but not limited to:

- full name;
- contact details (email address, phone number);
- residential address;
- identification and verification information;
- and any additional information required to comply with regulatory obligations.

Such information is collected for purposes including identity verification, communication, and service provision.

3. Data Security Measures

The Company implements appropriate technical and organisational measures to safeguard personal data against:

- unauthorised access;
- misuse or disclosure;
- loss or destruction.

These measures include secure systems, internal policies, and access controls designed to ensure that personal data is handled in accordance with recognised industry standards. Access to personal data is restricted to authorised personnel and service providers on a need-to-know basis. The Company also takes reasonable steps to ensure that any third-party service providers handling personal data maintain appropriate security standards.

4. Use of Personal Data

Personal data provided by clients may be used for the following purposes:

- provision of the Company’s services;
- responding to client enquiries and requests;
- identity verification and regulatory compliance;
- communication of relevant updates or information;

The Company limits the use of personal data to what is necessary for these purposes.
